

FIBO - FCT - Ratings

Welcome to the Home for the FIBO Ratings Ontology Team

About this project

The Ratings FCT is working to expand the concepts associated with market and credit ratings. We are starting with generic concepts before adding specific ontologies for instruments and entities. This is the repository for working documents and team coordination.

- Ratings concepts are currently draft, [the current draft concepts can be found here](#).
- If you are new to this process, please see the [initial meeting notes and presentation](#).
- Please see the notes from or [last 2019-02-20 Meeting](#)
- [Next meeting is 2019-04-17 at 11AM EST and will repeat every 2 weeks thereafter.](#)
