

Policy: Release notes will be generated automatically from GitHub Pull requests. This requires that each person clearly documents the effect of each Pull Request.

Status	DECIDED
Stakeholders	Elisa Kendall Pete Rivett Mike Bennett Michael Uschold
Outcome	Generate release notes from GitHub Pull requests. Each person will need to document what is the effect of their Pull Request.
Due date	05 Sep 2017
Owner	Dennis Wisnosky

Background

With the decision to release FIBO quarterly, it is vital to have as much automation as possible.
