

# Policy: Release notes will be generated automatically from GitHub Pull requests. This requires that each person clearly documents the effect of each Pull Request.

Status	DECIDED
Stakeholders	<a href="#">Elisa Kendall</a> <a href="#">Pete Rivett</a> <a href="#">Mike Bennett</a> <a href="#">Michael Uschold</a>
Outcome	Generate release notes from GitHub Pull requests. Each person will need to document what is the effect of their Pull Request.
Due date	05 Sep 2017
Owner	<a href="#">Dennis Wisnosky</a>

## Background

With the decision to release FIBO quarterly, it is vital to have as much automation as possible.

## Action items
