- 5) Todays content discussion.
 - SMIF OWL-UML
 - SKOS
 - RDF/S
- 6) For next week.

Proceedings:

Today Pete is out of town, John Gemski sent regrets, so Scott and I talked for a bit and decided to end the meeting. This was our final Monday call. We have agreed that we will move this to Fridays to merge with the IND call. This Friday there will be an IND call, and folks from this call are welcome to join. Our official launch will be Friday, April 15th, which is Good Friday (no longer a bank holiday in the U.S.) but we understand if some people will not be able to join us until the 22nd.

Decisions:
