Proceedings:

New page describing statistical quantities – [Specifying Statistical Quantities](#)

We also added definitions for Finite Population and Ratio to the Economic Indicators ontology, per the definitions in the statistical quantities page, and will continue working through those that are still missing over the next couple of weeks.

Reminder that there is no telecon next week due to the OMG meeting, and no meeting on 3/31 by tradition after an OMG meeting and because the chairs are traveling (David Saul is on vacation and Elisa will be on the road that week). Next call will be on Friday, April 7th.
